GEM Objectives

**Building International Collaboration**
Establish expert insights and objective evidence to inform and enhance the UK’s innovation partnerships with key global economies.

**Informing UK businesses and Government**
Disseminate expert-based insights to maximise knowledge of UK businesses and identify strategic actions to facilitate Government initiative to exploit new opportunities.

**Showcasing UK Capabilities**
Promote the UK’s technological and business strengths to be the “Partner of Choice” in future innovation partnerships with strategic global economies.
GEM Delegation

GEM delegations are chosen to provide a range of perspectives and consist of the following representatives:

- 6 external experts invited from UK business, innovation, funding/investment and policy background
- Innovate UK and Innovate UK KTN representatives
- Technical Writer
- UK government in-market Science and Innovation Specialist
